ExpressConversion Server

is server-based software that automatically converts document files from and to many different formats, including PDF. Use it alone or integrate it with a document-management system.

Use hot folders, Windows command line, Web Services, or even e-mail to integrate ExpressConversion Server into your workflow.

Support for hundreds of formats is available: Microsoft Word, Excel, Publisher, JPEG, AutoCAD (just to name a few).

Buy before December 31, 2008 and pay only $6,650. **(Retail price is $7,150.)**

Get details at www.CitationSoftware.com/ExpressConversionServer.htm, or call us at 508-436-2543.
